

OUR *new* HAYDEN HOME *is at*

THE VILLAGE AT COLD SPRINGS IS DESIGNED WITH THE MOTOR COACH OWNER IN MIND.

Homes include oversized RV Parking (12 x 40 pads) right on your home site with Full RV Home Hookups. Extended Driveways with low curbs makes backing in and pulling out a breeze. The large 12 ft gates enclose and screen your Motor Coach, providing privacy and maintaining the natural beauty of the community.

Maintenance Free Living includes front yard landscaping and yard care. As part of your HOA dues, yard maintenance and watering is included in summer and street snow removal in the winter.

Serene lakes, rivers and streams are nestled within the ponderosa pines just steps from your front door. You will find year round snow-capped Cascade Mountains peering above the landscape reminding you why Central Oregon is known as one of the best places to live in the West. Make the Village at Cold Springs in Sisters your Home Base while you travel North America and explore the great outdoors throughout the year.
